### Username:

Your K12Planet username must be unique, one that no other user of K12Planet has requested. Please give me the username that you would like to use; if someone else already has that one, I will put BHS in front of it and will tell you in your confirmation email..

(Example: if you requested **johndoe** and it was already taken, I would make it **BHSjohndoe**.)

A username cannot contain spaces.  
You may change your username at any time by clicking the *My Settings* tab.

Requested username: \_\_\_\_\_ (Please be sure to print legibly.)

### Password:

Your K12Planet password must have between six and twenty characters (no spaces), and at least two of those characters must be numbers. All passwords are set up in lowercase letters.

Requested password: \_\_\_\_\_ (Please be sure to print legibly.)  
You may change your password at any time by clicking the *My Settings* tab.

\_\_\_\_ NOTE: Please check here if you give permission to give username/password information over the phone or in email if you forget them. If you do not check here, you will have to come to the school in person for username/password help.
