

Tipton County Administrator's Institute
June 16-18, 2008
Tipton County Board of Education, Board Room

Offered to current Tipton County principals and assistant principals, this institute will train, enrich and provide an opportunity for dialogue. Topics related to everyday rigors of the administrative profession will be presented by a variety of speakers throughout the three day institute. Items on the agenda include TVAAS data, evaluations, and fiscal issues. At this time, TASSL credit is not available.

Administrators who will be attending are asked to submit their name via application so that we may plan for the appropriate number of attendees. Please submit the application to Marion Samuel via inter-office mail by May15, 2008.
