

Mrs. Michelle Rankin

Room 503

Agriculture Education

Courses:

Fundamentals of Agriculture

Advanced Principles of Agriculture

Fees:

FFA Dues - \$18.00 – All students must pay dues in (1) Agriculture class by February 15. After the deadline, dues increase to \$20. Students will be given the opportunity to participate in fundraisers in order to have their dues paid in full.

FFA is an integral part of Agriculture Education curriculum, stressing leadership, personal growth, and career success. The concepts and objectives taught during class are implemented through FFA activities.

The above mentioned fee covers National, state, regional and local affiliations along with the numerous other FFA related and classroom activities during the school year. **FFA Members are eligible to apply for college and technical school scholarships through the National FFA organization. www.ffa.org - applications available Sept. 15th.**

Rules:

-  Follow all Tipton County and Brighton High School rules and policies.
-  **Be respectful. (Absolutely no profanity or smart remark will be tolerated.)**
-  Be prepared. Have a notebook, pen/ pencil, a positive attitude and an open mind.

Classroom Agreement

I have read the above information regarding my/my student's participation in an Agriculture Education class. Mrs. Rankin promises to put forth every effort to make this course positive, fun and informative. The student agrees to participate with a positive attitude and open mind. Please sign and return both the classroom agreement and the attached competency profile which lists objectives to be taught throughout the year.
