

Dear Parents of a Brighton High School Graduate,

If you've ever opened a yearbook and found designed layouts of personal pictures of graduates, you were seeing the thoughtful expressions of family and friends.

Purchasing space for your son or daughter in the 2008 *Cardinal* is a great way to make a lasting statement about your graduate. Since *The Cardinal* is one history book that no one ever throws away, your gesture will be there for many years to admire.

It's simple, and takes just a few minutes. First, take a look at the cost sheet which gives a description of the amount of space you would like to reserve in the yearbook. Decide which size fits your budget. Second, write a message for your graduate that you would like to place on the page. Third, choose the pictures that you would like to place on the page. They may be any size, color, or black and white. Gently write your graduate's name and phone number on the back of the print. Fourth, place all pictures, message, self-addressed stamped large envelope, order form, and check made out to Brighton High School Yearbook and send to:

**Brighton High School  
8045 Highway 51 South  
Brighton, TN 38011  
Attn: Mark Yoder**

To avoid a \$10.00 late fee, place your order for a graduate ad by October 19<sup>th</sup>.  
**We look forward to making this year as memorable for your graduate as you do.**

Sincerely,

Mark Yoder  
Jackie Howard
