

Hi! Bonjour! Salut!

My name is Brandy Ross. I am twenty-six years old, and my birthday is January 5, 1983. I am in my third year of teaching here at CIAA, and my first year teaching learners in the fifth grade. I graduated from Millington Central High School in 2001, and went for a Bachelor's degree in Education at the University of Memphis. I completed my student teaching at Lakenheath Royal Air Force Base near Cambridge, England. I lived there for six months, then returned to graduate in 2006. I am currently enrolled at Trevecca-Nazarene University pursuing a master's degree in Educational Leadership.

I have always wanted to teach. I thoroughly enjoy the challenge that the arts integration style of Covington Integrated Arts Academy presents. An avid learner myself, I eagerly continue designing new and interesting challenges to help learners achieve their best. I hold high standards for my learners, both academically and professionally, and I love all of my learners every year as though they were mine. I hope you will contact me if you have any questions or concerns!

Sincerely,
Brandy Ross
